Teams still needed coaches Premier and Div 3 women.
Over 35a Men's

Discussion around the viability of over 40mens. History for past years discussed. Players not paying, team not fielding for games. Tom Jones is managing the team and said he has 18 players. The cost to maintain this team within the club is \$3600.00. We have never received close to this amount and have been carrying this team at a loss for years. After much discussion decision to hold a meeting and invite all interested players to show commitment. Monday 23/07 7:00. at the Clubhouse.

Div 4 Lenny will continue to manage and coach this team and play. He will bring in a friend to help out on game days so that he can play. Suggested that we bring in guest coaches for skills and Goalie training.

Dive 4 White Jim and Mark will still be contacts

Over 35 B Ewan and Christine will be contacts.

Christine discussed executive positions available Apparel Director/Registrar etc. Suggested having a Registration night to encourage players to come to the club. Great for new players to show the Clubhouse and know that it is available. Next meeting a date will be arranged.

Discussion around Club Policy to reimburse Goalies for Equipment needed to a Max of \$75.00. Some teams not aware of this.

Dave mentioned more organization around Cash Management and Payment of Registration this year. Also discussion around expenditures and authorization for payment. It was discussed that any Receipts over \$100.00 would have to be approved by executive.

Ralph discussed memorial Dave Killett, Well attended, during the event money was collected to donate to SPCA in memory of Paul. \$200.00 was collected and Ralph asked if the Club would agree to top up donation to 250.00. Geri made a motion for the Club to top up donation to \$250.00. 2nd By Christine. Accepted by members.

Brian discussed revenue on the Bar should not be a priority over bringing people to the bar that are not responsible. After the u-21 FIFA game people were invited to the Club that would not have been allowed in any other public place because of the level of intoxication. Members who hold keys need to consider this prior to inviting them to our Club. There was an incident where a member had an altercation with his spouse and a glass was thrown. This could have been a very serious situation and would have left this club in a difficult Legal situation. It was discussed that this individual has previously caused troubles at the Club and would be asked not to come anymore until he addressed the executive for permission to return.

Still some dues outstanding from previous year. Geri will bring this to next meeting.
