Discussion: Sarah McDonald addressed the issue of coaches needed for the womens teams. Premier, Div 1 and possibly Div 3 needing coaches. We need to be active in our search for coaches as it will be a challenge to recruit and maintain our teams without a coach in place.

Sam will follow up with getting info on LIWSA and Vic West Websites. It is important for all members to get the word out that we are looking for coaches. With World Cup we should see a lot of Soccer people to spread the word.

Discussion around promoting our club with the Turf field and our Club House and reputation we should be able to recruit players.

The president and Treas were asked if there would be an increase in fees next year. Question was unable to be answered until we know if we get the gaming grant, however their will definitely be an increase in fees it is just a matter of how much.
