VISL:

Ref fees are going up in the new year from \$50 to \$60 per game and \$30 for flaggers. The league will cover the costs for this season, but suspect dues will go up next year.

Div 1s trying out branded balls for future bulk purchase through the league, therefore every team will have the same standard ball.

Vic West asked VISL to support our induction into Hall of Fame, but they refused. They have since decided that from now on, VISL will support Hall of Fame inductions by purchasing a table for the function.

Jess is organizing another Charity soccer event – maybe Sunday Dec 22? Entry will be a perishable item and \$2. Dave to find field time and confirm with Jess so she can organize.

Clubhouse clean up:

City of Saanich has requested we trim the grass around our Hydro meter. Ralph to complete.

Year End Banquet:

Ask your team for feedback. Do we want a full meal or are appies or potluck ok. If we take away the full meal, we have a lot more options as to where and when we have the party, and it will cost the club and its members less to attend.
