- Russell was talking the night of the season opener – there is probably some ways we can save money down here. We have a cleaning contract in place – don't think we need the dusting/vacuuming. Toilets a necessity. We could have vic west members do it for a benefit (fees ect).
- We need a new vacuum cleaner; Brioney may have an extra vacuum cleaner.
- Topaz; the amount we pay in fees to the city – they need to look into fixing all the lights and figure out why the washrooms have been closed.
- Ralph; somebody called about a party in November – maybe an alumni?
- Danika; Keys to box don't work – all new keys didn't cut well, Dave will look into getting proper keys cut.
- Paypal? E-Transfers?
- Becky; Season opener went alright – 35 people paid for dinner. Just under 40 steaks, going to do steak and Cesar salad on Tuesday after practice.
- Becky; Also a quiz night or music bingo – less party more fun.
