Becky brought everyone up to date on Fees, Equipment and Training times.

- Fees this year are \$325.00 for Division 1, 2 and 3 men and women.
- \$300.00 for Div 4, Masters B & C, and Over 30 women.
- \$275.00 for Over 40's and Over 50's.
- VISL and SVICSA dual players can pay \$450.00 to play both leagues.
- Russell is setting up e-transfers for player registration fees.
- Post dated cheques and multiple payment options are available.
- Geri will do registrations again this year.
- Additional field time is available on [Wednesday](#) nights. We've acquired time Bays no longer need and it will be on a "shared basis" with Centaurs. 8:00 pm to 10:00 pm.
- Training time is essentially the same as last year. Any changes should be requested through Kevin Doran.

- Ken took a list of equipment requirements. Teams not at meeting need to send list to Ken asap.
- Ralph has picked up a set of pinnies. He also found a set of corner flags for Finlayson. David and Russell also have sets of pinnies if anyone requires.
- Any team without a key for the lights and lockbox at Finlayson NEED to advise Becky so a set can be provided.
- Ken will look into game balls. VISL have on sale for \$80.00 each. Did we get these for our women's teams as well? Each team should have two each.
- Let Ken know what you require for training balls. Group will go through what's at clubhouse and see what is still usable.
- Ralph and Russell went through the supply of socks. Teams would like to have diadoras again. Russell to check last order and re-stock as required. (Lots of size small in the cupboard apparently.)
- Social events for club members will be announced. Would like to see different and spread-out functions. Suggestion to have two teams co-sponsor, which will help to bring extra guests. Becky and David will put their heads together for ideas. If you have any, pass them along.
